LED CLOCK Cielo

SIZE - 214 * 110 * 28mm WEIGHT: 220grmas

DISPLAY: MONTH / DATE / DAY / TEMP. / HOUR / MINUTE

FUNCTION: ALARMx2 / SNOOZE / DST / BRIGHTNESS ADJUSTMENT /

AUTO DISPLAY ON & OFF POWER / USB or AAAx3

The compact digital clock Cielo can be placed anywhere for easy viewing.

The unified white design is perfect for interiors and creates a cool atmosphere. If you use batteries, the sensor will automatically turn on and off repeatedly.

The two independent alarm and snooze functions allow you

to use it as an alarm clock next to your bed.
A brightness sensor keeps the display brightness at the optimum level at all times.
